

Tuition 2020-21

Ascension Catholic School, Kettering, Ohio

Tuition Rates for Next Year

In planning our tuition for the next school year, we looked at the following factors as new tuition rates were set:

1. Generous stewardship of Ascension Parish members with their Sunday contributions;
2. The total per pupil cost and what the parish is able to continue to contribute;
3. Comparison of rates and management options with other Catholic Schools in the area;

The scale below list the tuition amounts for one or multiple students in a family. **It is very important for all parish families to continue their support of Ascension Parish.** Non-parish families enrolled in the school are expected to pay the Non-parish amount.

Ascension Tuition Scale 2020-21

Tuition Policy

Ascension School is supported by the collection of tuition, other sources of school income (state reimbursement, fees, gifts, grants, PTO) and by the parish through generous parish Sunday contributions. **Each family should choose one of the following payment plans through FACTS Tuition Management Co., which can be found on the Ascension School Website.**

- A. **Automatic Payments** – also known as ACH (Automatic Cash Handling) or EFT (Electronic Fund Transfer) Choice of 1-10 payments made monthly, Aug – May with FACTS tuition management fee. **There is no fee for a single full payment made to FACTS by July 13, 2020.**
- B. **Invoiced Payments** - Choice of 1-10 payments made monthly, Aug – May with FACTS tuition management fee. **There is no fee for a single full payment made to FACTS by July 13, 2020.**
- C. **Credit Card Payments** - Choice of 2-10 payments made monthly, Aug - May with FACTS tuition management fee. There is an additional annual convenience fee assessed by the credit card company. That fee is \$2.50 per \$100 of tuition.

Tuition Affordability - The expectation is that all families will pay their tuition according to their tuition commitment. The goal of Ascension Parish is that no child of a parish family will be refused admission based solely on an inability to pay the full tuition. If parish families feel they are unable to make the tuition commitment, they should apply for tuition assistance. Tuition Assistance is considered on an annual basis. Parish families seeking assistance must submit a request for tuition assistance through the FACTS Tuition Management Co.

All tuition is to be paid in full by the May payment date. Report cards will be held until complete payment has been made. No records are forwarded to other schools until all bills have been paid. **Registration will not be accepted for the next school year until all fees are up to date or have been paid in full.** We ask that all families with children currently enrolled in the school please turn in the signed "Annual Registration & Tuition Commitment" form by Feb. 21, 2020.
